

# 2nd Annual BASIC AMERICAN RIGHTS SERIES

Presented by  
Americans for Prosperity Foundation & I Spy Radio

**Saturday, Sept. 29th 9AM – 2PM**

Our Founding Fathers knew that liberty was intimately tied to our ability to create wealth—and that economic freedom was directly tied to natural resources and private property. Come hear four incredible speakers talk about our American rights and leave with knowledge on how to fight back.

## **Ann McElhinney**

Fighting back against the Green Agenda, the exciting journalist and filmmaker behind *FrackNation* and the explosive documentary film *Not Evil, Just Wrong* that exposes the fraud of sustainability

## **Randal O'Toole**

Defending the free-market system, Cato Institute Senior Fellow and author of the ground-breaking *American Nightmare: How Government Undermines the Dream of Home Ownership*

# Defending Your Rights!

Natural Resources, Private Property, & Economic Freedom

## **Rep. Ken Ivory**

Defending the Constitution, the dynamic Utah representative and author of *Where's the Line?: How States Protect the Constitution* advocates for states and people to reclaim their rights

## **James Buchal**

Defending property rights, the candidate for Oregon's Attorney General and author of *The Great Salmon Hoax* exposes how environmentalists hide behind science to subvert private property rights

## **To Register**

Four dynamic speakers, a half-day conference, and a buffet lunch all for only \$40! Late and at-the-door registration will be \$60. To register, head to <http://barsor1.eventbrite.com> or 503-507-9955
